

Dear Wayne

Supply and Installation of high security PVCu patio doors to conservatory

Thank you for completing the above contract ahead of schedule, and thank you for the quality of the installation and of the two men who carried out the work.

We are also delighted with the chosen design – it really opens up the view & light, just as you said it would :o)

My cheque for £1340.00 in settlement is enclosed – as are the following signed documents :

- Customer Satisfaction Notice.
- Guarantee Certificate & Deposit Protection (Insurance Service UK Ltd).

I understand that I also need from you a FENSA certificate, and look forward to receiving same in due course.

Yours sincerely

Peter
